

Re: Kenshi Yao, MD, PhD, Japan: Invitation to e-learning system

Dear Everyone,

I am pleased to inform you that we have completed constructing the public version of e-learning system to improve endoscopic detection of early gastric cancer.

Please access the following URL and register your account.

Then, you will receive an e-mail telling you the URL, ID & PW to start e-learning.

URL: <https://www.higan-npo.com/e-learning-endoscopy>

I wish that you would be able to learn how to detect early gastric cancer wherever and whenever you want in these difficult worldwide situations.

Best wishes,

Kenshi Yao, MD, PhD
